

Invitation to Exhibit

ESHG 2027

12-15 June, 2027, Rotterdam, the Netherlands

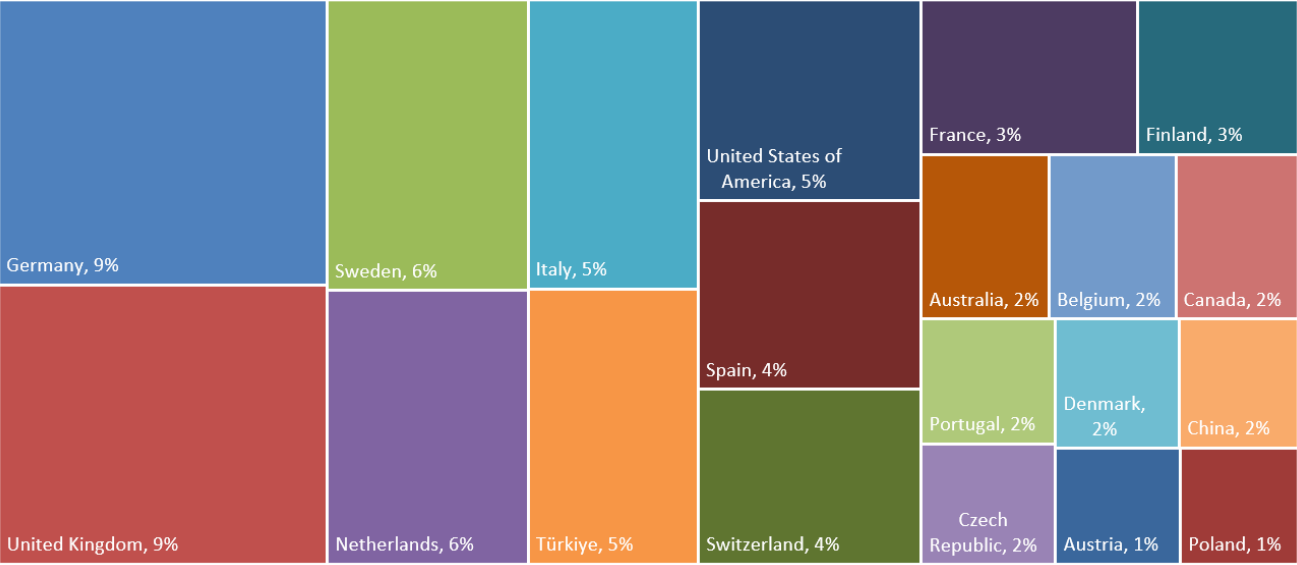

ESHG 2026, Gothenburg, Sweden – Statistics

Below some statistics of the ESHG 2026 conference based on registration data.

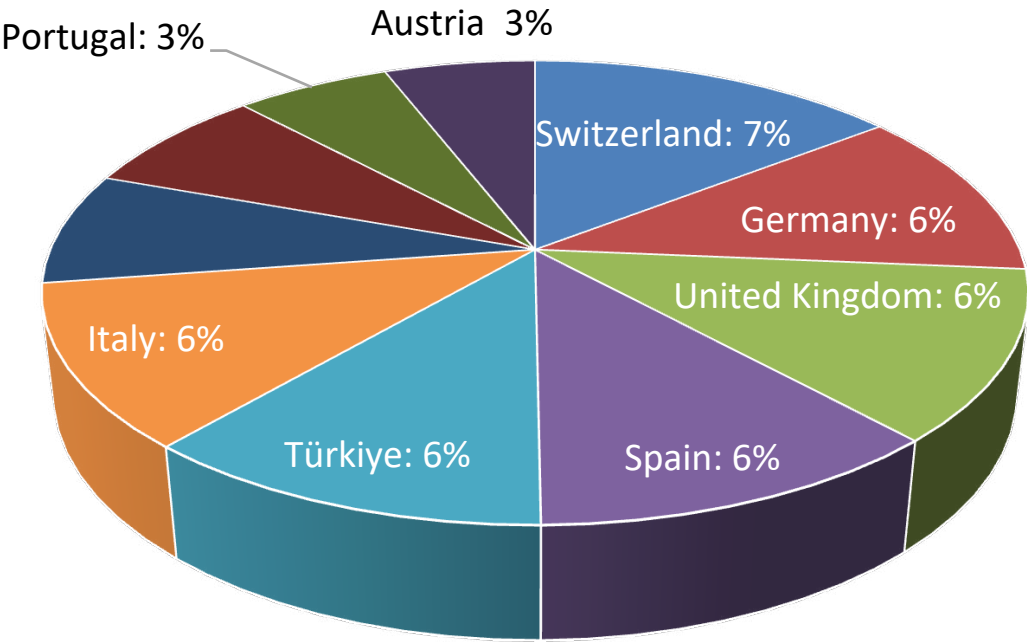

Registrations

Onsite 4.894: 3.750 regular participants, 449 industry participants with access to exhibition only, 695 industry participants with full access
Online 1.259: 1.259 online regular participants
Total 6.153 From over 96 countries

Top 20 Countries Registrations

Top 10 Countries Online Only Registrations

Highest Degree and Years in Genetics

Highest Degree	
PhD	39%
MSc/MA	21%
MD	17%
MD/PhD	11%
BSc/BA	4%
Other	4%
Prefer not to say	2%
Undergraduate Student	2%

Years in Genetics	
under 5 years	33%
5-10 years	21%
11-15 years	14%
more than 15 years	32%

Current Activity

Profession	Amount
Medical Geneticist	1391
Research Scientist	1208
Other	794
Clinical Laboratory Geneticist	691
Computational Biologist / Bioinformatician	373
Genetic Counsellor	251
Laboratory Technician	87
Prefer not to say	80
Data Analyst	56
Epidemiologist	50
Cytogeneticist	42

Visitors

The expected conference delegates (over 4000) will have free access to the exhibition. Among the delegates will be researchers in all aspects of human genetics including molecular genetics, cytogenetics, biochemical genetics, gene therapy, genomics and bioinformatics; clinicians and counselors involved in all clinical specialties, particularly clinical geneticists, paediatricians, oncologists, haematologists, and neurologists; and scientists providing diagnostic services in molecular genetics, cytogenetics and oncology. Delegates come from all over the world.

Conference Topics

The conference will cover all aspects of human genetics, from the cutting edge of research into the human genome and individual genetic or chromosomal conditions, right through to the practical issues of organising genetic services to deliver the benefits of this knowledge to our populations. Topics include:

- Array Technology
 - Bioinformatics, Machine Learning and Statistical Methods
 - Cancer Genetics
 - Cardiovascular Genetics
 - Clinical Genetics
 - Cytogenetics, including Molecular Cytogenetics
 - Developmental Genetics
 - DNA-Methylation
 - Education on Genetics
 - Epigenetics
 - Ethical, Legal and Psychosocial Implications of Genetic Medicine
 - Expression Profiling
 - Functional Genomics
 - Gene Therapy
 - Gene-Environment Interactions including Pharmacogenetics
 - Genetic Counseling
 - Genetic Diagnostics
 - Genetic Epidemiology and Mendelian Randomisation
 - Genetic Variation of Normal Traits
 - Genetics of Ageing
 - Genetics of Complex Disorders
 - Genetics of Model Organisms and Application to Human Disease
 - Genome Architecture
 - Genome Editing – including CRISPR-Cas
 - Genome Mapping Technologies
 - Genome-Wide Association Studies
 - Genomics Data Science including Artificial Intelligence
 - Human Genome Variation and Structure
 - Immunology and Hematopoietic System
 - Inborn Errors of Immunity
 - Inborn Errors of Metabolism
 - Intellectual Disability
 - Internal Organs and Endocrinology (Lung, Kidney, Liver, Gastrointestinal)
 - Large Scale Genomics (GWAS) and other -Omics Association Studies
- Long-Read Sequencing
 - Metabolic and Mitochondrial Disorders
 - Metabolomics
 - Molecular and Cell Biology Approaches to Gene Function
 - Molecular Pathology of Human Diseases
 - Neurogenetic and Psychiatric Disorders
 - Neuromuscular Disorders
 - Neuropsychiatric Genetics
 - Next-Generation Sequencing
 - Oligonucleotide Synthesis
 - Organisation of Genetic Services
 - Personalized Health
 - Pharmacogenomics and Drug Repurposing
 - Population Genetics and Evolutionary Genetics
 - Precision Medicine
 - Prenatal Diagnosis and Predictive Testing
 - Proteomics
 - Quality in Genetic Testing (Accreditation/Certification of Laboratory and Clinical Services; Introduction and validation of laboratory tests)
 - Rare Disease Genetics
 - Repat Expansion Disorders
 - Reproductive Medicine
 - Sensory Disorders (Eye, Ear, Pain, etc.)
 - Single Cell Analysis
 - Skeletal, Connective Tissue, Ectodermal and Skin Disorders
 - Spatial Genomics and Transcriptomics
 - Synthetic Human Chromosomes
 - Therapy for Rare diseases, including Antisense Oligonucleotide (ASO) Therapy
 - Transcriptomics
 - Treatments for Genetic Disorders, including Therapeutic Cloning and Use of Stem Cells
 - Whole Genome Sequencing

Integration of Conference, Exhibition and Scientific Posters

Both the conference and the exhibition will be held at Rotterdam Ahoy. The exhibition and the scientific posters will be fully integrated in Halls 2, 4 and 5 of AHOY, where the conference sessions will be in Hall 3, RTM Stage and the Rotterdam AHOY Convention Center (RACC) of AHOY. As always with the ESHG conferences, the coffee terraces and cash bar will be located in the exhibition/poster areas. This year we will also have food trucks in Hall 4.

Conference & Exhibition Dates

Conference	12 – 15 June 2027	Saturday – Tuesday
Exhibition & Poster viewing	12 – 14 June 2027	Saturday – Monday

Timetable (exact times to be announced in the Exhibitor Manual)

Thursday	10 June	Build up of standard stand construction by stand contractor Build up of <u>design</u> stands (exhibitors’ own stands) No access for exhibitors with standard stand construction
Friday	11 June	Moving in of exhibits by all exhibitors (standard stands and design stands)
Saturday	12 June	Exhibition open all day Conference Opening Ceremony at 13.40 CEST Opening Networking Mixer (exhibitors are invited) at 20.00 CEST
Sunday	13 June	Exhibition open all day
Monday	14 June	Exhibition open all day
Monday	14 June	<u>Break-down</u> activities start at 18.00 CEST – till 20.30 CEST for standard stands, till 23.30 CEST for design stands
Detailed time schedule will be given in the Exhibitors’ Manual (January 2027).		

Exhibition Fees

EURO 475.00	per m² booked and fully paid before 1 February 2027
EURO 510.00	per m² booked and paid after 1 February 2027
EURO 525.00	handling fee per exhibitor (not related to stand size)
EURO 315.00	electricity (1,5 kW including 2 sockets and consumption)

Electricity Connection & Consumption

An electricity connection is mandatory for all exhibitors and will be charged together with the stand space fee. The fee for ESHG 2027 is EURO 315.00 for 1,5 kW including 2 sockets and consumption. Details for ordering more than 1,5 kW will be available in the Exhibitors’ Manual (January 2027).

Included in Exhibition Fees

- Opening Networking Mixer (welcome reception on Saturday evening)
- Refreshments during official coffee breaks (Saturday, Sunday and Monday)
- Access to the Opening Ceremony
- Exhibitor Conference Badges (allowance related to stand size) and one Exhibits Only Badge
- Listing of Exhibitor company name on the conference website, Exhibition page (Company URL: see below)
- Listing of Exhibitor company name and description in the conference app
- Listing of Exhibitor company name on the Virtual Platform
- Standard stand construction package:
 - Stand walls 250 cm high, white
 - Company name and stand number on fascia board (in standard lettering)
 - One spotlight per 3 m²
 - Carpet (choice from a number of colours)

Exhibitor Conference Badges & Exhibits Only Badges

Each exhibitor will receive a free allowance of Exhibitor Conference Badges according to stand size. Exhibitor Conference Badges give access to the exhibition & poster areas and to all conference sessions, as well as to the Virtual Platform. Exhibitors can order additional Exhibitor Conference Badges. The fees as well as the deadlines (early, late & on-site) for these badges will be announced in the Exhibitors’ Manual, which will become available in January 2027. Important note: Exhibitor Conference Badges are made available exclusively for exhibiting company staff. In addition, each exhibiting company receives one free Exhibits Only Badge (valid for all three exhibition days). Exhibits Only Badges give access ONLY to the exhibition & poster areas and include refreshments served in these areas during official coffee breaks. The fees and deadlines for ordering Exhibits Only Badges will be published in the Exhibitors’ Manual. Exhibits Only Badges may also be ordered for company staff, who do not need access to the scientific sessions and for company guests, who only need to access the exhibition. Fees, deadlines for early and later registration fees, order procedures and other important information for badges will be published in the Exhibitors’ Manual (January 2027).

Company URL

Companies who book stand space will appear on the list of exhibitors on the conference website, Exhibition page: <https://2027.eshg.org/exhibition/>. A URL link from your company name on this list to your company website can be ordered at EURO 215.00. To book: see the Exhibit Application Form.

Conditions of Payment

- Bookings at the early stand space fee (booked + fully paid before 1 February 2027) will be payable as follows:
 - 50% upon reservation of stand space
 - 50% before 1 February 2027
- Bookings at the late stand space fee (booked + paid after 1 February 2027) will be payable as follows:
 - 100% upon reservation of stand space
- Rose International will issue an invoice, with full bank details, for each instalment due. Payment of each invoice should reach Rose International before the payment date stated on the relevant invoices. For further important aspects of the conditions of payment, see the General Conditions on pages 4 and 5 of the Exhibit Application Form.
- The exhibitor is responsible for ensuring that Rose International receives correct and full invoicing details at the time of exhibit space application, including PO (Purchase Order) number if applicable. Default invoice name and address are as filled in by the exhibitor on his/her Exhibit Application Form. Different invoice name/address/VAT number can be filled on the form.
- If an invoice needs to be re-issued (on the request of exhibitor) with different name/address/VAT details, or other changed details (e.g. PO number), an administration fee of EURO 75.00 per invoice will be charged. This fee will appear on the re-issued invoice, the original invoice will be credited.

- If payment for space at the early fee is not received before the payment date mentioned on the relevant invoice(s), the exhibitor will receive an additional invoice for the difference between early and late fee without prior notice (EURO 35.00 per m²).
- All bank costs must be paid by, reversed to the exhibiting company. Any bank costs incurred by Rose International must be reimbursed. Rose International will inform the relevant companies as soon as bank costs are incurred at our end, requesting immediate credit card payment. **N.B.:** ask your bank how to avoid bank costs for Rose International.
- Check payment **cannot** be accepted.
- Credit card payments are subject to surcharges. For details contact Rose International.

Cancellation Policy

Cancellation of a stand can be made in writing only (e-mail) and is **not valid** until Rose International has confirmed receipt of the cancellation. Rose International General Conditions articles 7 and 11 are applicable.

Currency & VAT

All fees will be **invoiced and are payable in EURO** and are excluding VAT (Dutch VAT, as applicable in your situation). If VAT is applied (Dutch), the VAT rate at the time of the conference will apply, also on invoices already issued.

General Conditions

By completing and signing the Exhibit Application Form, the applicant declares himself/herself bound by the General Conditions of Rose International (see pages 4 and 5 of the Exhibit Application Form).

Minimum Stand Size

The minimum stand size is 6 m².

Floor Plan, Space Application & Allocation of Stand Locations

The preliminary floor plan and up-to-date overview of stand locations are available from Rose International. Please mark your preferred stand locations (four stand numbers) on the Exhibit Application Form. If all your preferred stand locations are not available, you will be contacted to discuss alternatives. Exhibit space will be assigned on a “first come, first served” basis upon receipt of the completed Exhibit Application Form and receipt of the corresponding fees (see also important information under Conditions of Payment, in this brochure).

Design Stands - Construction Requirements

Standard stand construction is included in the exhibit space fee (as a package only) and no reduction is given in case a company brings and builds its own stand. All stands, including design stands, should be constructed with walls on all sides bordering upon other stands. These walls must take up the full depth/width of the stand and must be 2.50 m high exactly, measured from the floor of the exhibition hall. Constructions inside the stand may be higher than 2.50 m but need to be approved by Rose International and should remain at a distance of at least 0.75 m from the stand walls bordering on other stands. Flooring in stands (carpet, wooden floor etc.) and stand lights are mandatory for all stands. The stand design, showing exact measurements and height (in cm), must be presented to Rose International for approval before 1 April 2027. More information will be given in the Exhibitors’ Manual (January 2027). If you need specific information at an earlier stage, contact Rose International.

Registration of local agent/distributor as co-exhibitor

Exhibitors may share the stand with their official local distributor/agent for the Netherlands (one company). The exhibitor will be charged for the co-exhibitor fee of EURO 895.00. This fee covers one Exhibitor Conference Badge for the agent/distributor, their company name on the fascia of the stand and listing in the conference app, as well as on the conference website (Exhibition page). Please apply for registration of your agent/distributor responsible for the Dutch market on the enclosed Exhibit Application Form. The exhibition organisers will ask for a statement regarding the relation between exhibiting company and proposed co-exhibitor, as well as their full company and contact details, before reviewing the application. If you wish to invite more of your agents/distributors on the stand, contact Rose International for details and conditions.

Exhibitors’ Manual

Detailed exhibit information and instructions, build-up and break-down days and times, as well as order forms and links for services and supplies (stand furniture, audiovisuals, flowers and plants, freight forwarding and storage of empties, Internet, stand catering etc.) will be available in the Exhibitors’ Manual (January 2027).

Hotel Accommodation

The information about the official ESHG 2027 hotel agent/arrangements is available on the conference website: <https://2027.eshg.org/myconference/accommodation/>.

Sponsoring & Corporate Sessions

Companies interested in the sponsorship opportunities, which include time slots during the conference for corporate sessions, advertising, mailings to participants and many more, please contact Rose International to obtain the sponsor programme (ready in October 2026). The organisation of social events (so only events with a social character) is allowed under strict conditions and only on Friday evening 11 June (as of 18.00 CEST) and on Sunday evening 13 June (as of 19.00 CEST) and after approval by Rose International. Please contact Rose International for details. Note: not following these rules will result in exclusion to participate in the next conference, ESHG 2028. All other types of (corporate) events should be held in the corporate session slots made available.

Hybrid Conference

As previous years, the ESHG 2027 Conference will be in the hybrid format again. This means that all, or most, scientific sessions during the in-person conference in Rotterdam will be live-streamed to the ESHG 2027 virtual platform. The recordings (also of the corporate sessions) will be made available On-Demand for 6 months after the conference. The platform will not offer virtual exhibits.

Compliance

The ESHG organises its meetings in compliance with the rules of EFPIA, Eucomed and EACCME with regards to sponsor involvement and recognition. Any (contractual) agreements in contradiction to these rules will be considered void. Remember that company compliance may differ from ESHG compliance.

All companies exhibiting at and/or sponsoring ESHG 2027 are advised to consult the guidelines and codes of practice applicable in the Netherlands. By signing the relevant application form to participate in ESHG 2027, each company agrees to and confirms that it has reviewed the advice and guidelines which determine the applicable codes of practice in the Netherlands and that it will be adhering to all relevant codes and accepts all liability in all cases of non-compliance with these codes (such as EFPIA, MedTech Europe, IFPMA).

Not allowed to advertise prescription drugs

Due to a EU Directive, local regulations as well as the pharma codes, it is forbidden to advertise (show, offer or present) any prescription drugs at ESHG, since not all ESHG participants are MD's (prescribers).

European Society of Human Genetics

The European Human Genetics Conference is organised annually by the European Society of Human Genetics – ESHG. For further information on the society, please visit their website: www.eshg.org.

The ESHG is a founding member of the IFHGS - International Federation of Human Genetics Societies.

ESHG Executive Board (2026 - 2027)

President	Angus Clarke, United Kingdom	Deputy Secretary-General	Carla Oliveira, Portugal
President-Elect	Sally Ann Lynch, Ireland	Treasurer	Gunnar Houge, Norway
Vice-President	Martina Cornel, the Netherlands	Chief Executive Officer	Jérôme del Picchia, Austria
Secretary-General	Julia Baptista, United Kingdom		

ESHG Scientific Programme Committee – SPC (2026 - 2027, as per date of printing)

Chair	Alexander Hoischen, the Netherlands		
Co-Chair	Carla Oliveira, Portugal		
Members	Álvaro Mendes, Portugal	Danya Vears, Australia	Inga Prokopenko, United Kingdom
	Kaitlin Samocha, United States	Philip Jansen, the Netherlands	Siddarth Banka, United Kingdom
	Ana Osorio, Spain	Elfride De Baere, Belgium	Jeroen van Rooij, the Netherlands
	Malte Spielmann, Germany	Rita Barbosa-Matos, Portugal	Simone Rubinaccim, Finland
	Ana Rio-Machin, United Kingdom	Ellen van Binsbergen, the Netherlands	João Vinagre, Portugal
	Maria Francesca Di Feo, Finland	Sander Pajusalu, Estonia	Tiong Tan, Australia
	Andrada Ciucă, Romania	Francesca Forzona, Observer PEC,	Julia Baptista, United Kingdom
	Masoud Zamani Esteki, the Netherlands	Segun Fatumo, United Kingdom	Tjitske Kleefstra, the Netherlands
	Bjarne Vilhjálmsson, Denmark	Gosia Trynka, United Kingdom	Julien Baruteau, United Kingdom
	Nicolas Chatron, France	Shahida Moosa, South Africa	Yvonne Bombard, Canada
	Christel Depienne, Germany	Hugo Zeberg, Sweden	Juliette Nectoux, France
	Nicole Soranzo, Italy	Shamil Sunyaev, United States	

ESHG Annual Meetings Committee – AMC (2026 - 2027)

Chair	Joris Veltman	Advisors	Jérôme del Picchia, ESHG Chief Executive Officer, Austria
Members	Angus Clarke, ESHG President		Oscar Pacheco, ESHG Chief Operating Officer, Austria
	Sally Ann Lynch, ESHG President-Elect		Jana Wacht & Tina Wögerbauer, Conference Organiser, Vienna Medical Academy, Austria
	Martina Cornel, ESHG Vice-President		
	Alexander Hoischen, Chair of SPC		
	Julia Baptista, ESHG Secretary-General		Jantie de Roos & Flora van Laer, Sponsoring & Exhibition Management, Rose International, the Netherlands
	Carla Oliveira, ESHG Deputy Secretary-general		
	Gunnar Houge, ESHG Treasurer		

Conference Organiser

For information on the content of and registration for the European Human Genetics Conference – ESHG 2027, please visit the conference website, see below, or contact the conference organiser directly at:
